Today, 5 PM. A beloved Delaware supplier. A "local, sustainable" label on meat and seafood sold to the state's most celebrated kitchens. A paper trail that tells a different story.

Their only restaurant client is a three-location group. You'll want to read this before dinner. 🧵

wait is this about Bleu Hen?? we have a table at the Roost tonight 😬

First State Foodie @firststatefoodie
Brandywine has been at every farmers' market in Sussex for 20 years. I really hope this is airtight, @JoAlvarezEats.

dover_dan @dover_dan
$185 for "farm to table" and the flounder tastes like any flounder. Not shocked.

First State News 6 @FirstStateNews6
We are reaching out to the restaurant group and the supplier for comment. Story developing.

greenvillegal @greenvillegal
booked the Brasserie for Saturday for my parents' 40th anniversary. do I cancel??
