Team, this came in at 1:30. I didn't see it until the post went up. She is serious, and she has a 4:00 deadline.

Hal says **do not reply** until we've talked. Three TV newsrooms have called so far. I haven't called anyone back.

Please tell me what to say, or tell me to say nothing. But tell me.

Hi Lena,

I'm publishing a story at 5:00 PM today about Brandywine Heritage Farms & Fisheries' sourcing and its relationship with Bleu Hen Hospitality Group.

I'd like the group's response on the record by 4:00 PM.

I'm not asking you to confirm anything. I'm asking what you know, and what you plan to do about what's in your coolers tonight.

Jo
