Chef's notes (handwritten)

Pork has looked off for about 3 weeks. Less marbling.

Beef is Kestrel Ridge. I've met the rancher. Tags are on every pack.

Flounder: Tess says Tuesday's boxes looked "different." I said it's February.

Roulade: rolled at noon, all three kitchens. Can't hold past tomorrow.

Tonight's covers: 380. Saturday: 450. Sunday: 300.
